PETITION TO REVIVE ABANDONED APPLICATION  
UNDER 37 C.F.R. § 1.137 (b)

## MAIL STOP PETITION

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA. 22202-3514

Sir:

The Commissioner is hereby petitioned to accept a Response to a Notice of Missing Parts in the above-identified application.

The petition fee under 37 C.F.R. 1.17(m) in the amount of \$1500.00, is submitted herewith.

The above-identified application became abandoned for failure to respond to the Notice of Missing Parts, which was mailed by the Patent Office on March 25, 2004 to another law firm. The Change of Correspondence which was filed on March 17, 2004 listed the wrong customer number (23664). Our customer number is 23364. The Notice of Missing Parts was forwarded to a law firm in Texas. As far as we can determine, we were not notified by the law firm of the error nor were the documents forwarded to us.

A phone call was made to the Petitions Office and the information noted above was obtained.

The error noted above was unintentional and we now include with this paper the following items:

1. the English translation of the specification
2. the Executed Declaration and late fee of \$130
3. a Preliminary Amendment
4. a Response to the Notice of Missing Parts
5. a check in the amount of \$1630.

The Commissioner is hereby authorized to charge any additional fees or any overpayment for this petition under 37 CFR 1.137(b) to Deposit Account No. 02-0200.
